Subject: Commonwealth v. [REDACTED]

Good morning Sarah. We received a summons at the lab this morning for Kate Corbett in the case of the Commonwealth v. [REDACTED]. Unfortunately, she is [REDACTED] until mid-September and will be unavailable to testify. Additionally, I am the second chemist on the case (although I did not receive a summons) and I will be out of state August 13th-17th. We've begun the process of compiling the data for the case but you may need to see if you can get a continuance, seeing how neither one of us is available. Let me know if you have any questions and if you would like us to mail you the data for the case. Thank you very much.
